

ON THE TIP OF THE TOES

OUR MISSION

To change the lives of young people aged 14 to 39 living with cancer by giving them the opportunity to take part in a therapeutic adventure expedition.

These expeditions are a turning point in their journey with illness — helping them turn the page, rebuild their confidence, and reclaim control of their lives. The impact is deep and lasting, extending into their families and over the long term.

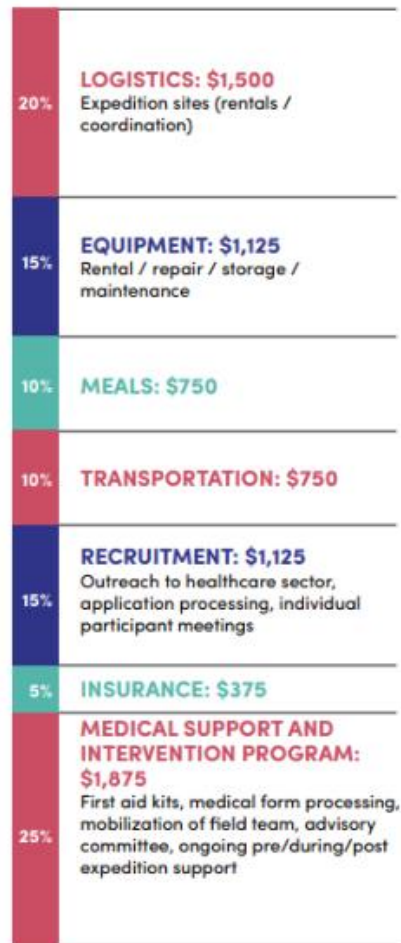

IMPACT

- **Meeting a real need:**
Expeditions allow participants to form meaningful connections with others facing similar challenges, helping break the isolation often felt during illness.
- **58 young lives transformed each year**
- **5 therapeutic expeditions per year:**
 - 3 Escape Expeditions**
for youth undergoing treatment
 - 2 Major Expeditions**
for youth in remission
- **200 active expert volunteers:**
Medical staff, social workers, legal and financial professionals, translators, and logistics experts help reduce operational costs.
- **100% Free:**
Expeditions are completely free for all participants.
- **250+ healthcare professionals across Canada refer youth to our programs.**
- **National reach**
Participants come from every province and territory in Canada.
